Artist Information and Guidelines for Submission :: musician

What is southcoastarts.com?-

southcoastarts.com is part showcase, part directory part e-commerce enabled gallery for the arts in South Coast Massachusetts. Not limited by discipline, it is hoped that the collective energy of artists, arts venues, and arts supporters will help South Coast arts to thrive and grow.

Musicians:

What should I provide?

At minimum you should provide:

- Photo of you or your band –b+w is preferred. If color is provided we will convert it for you
- Contact information
- Please furnish clear categories i.e. rock, blues, jazz, classical, Cajun etc. (though you can choose several if you feel one does not describe your music well)

Recommended:

- Description of your music. A paragraph would be wonderful but this is not required
- discography (if applicable)
- Performance schedule
- music clip or clips. mp3 is preferred

Images:

Digital:

You may provide images in jpg format if they are of reasonably high quality. It is recommended that digital images be at least 500 pixels along one dimension and have a resolution, at minimum, of 72dpi. Images at smaller resolution will be individually evaluated. Please name each file with your first initial, lastname and a number (or) if this is a group shot use the name of the band.
